"We need to prepare our place in the world of tomorrow, hopefully a world filled with peace. With our rapidly changing world, no one can predict what events will take place in the future.

It is our hope that our school has prepared you to meet these future challenges and that you will recognize your responsibilities as a citizen and plan and live your life accordingly. We hope that this way of life will be sharing peace with all men."

We, the Class of '72, would like to extend a sincere thank you to Miss Geneva Altfather for all the time and effort she has spent on our behalf.

Hours upon hours of work with class play productions, dozens of program cover designs, and countless ideas and designs are only a small part of Miss Altfather's contributions to Berlin-Brothersvalley High School. Her elective classes and high instruction in various art skills offer educational as well as interesting diversions in our high school curriculum.

It is in appreciation for these many contributions, and for her dedication to teaching, that we, the class of '72, offer her our most sincere thanks.

Go placidly amid the noise and haste, remember what peace there may be in silence. As far as possible, without surrender try to be on good terms with all persons. Speak your truth quietly and clearly, and listen to others, even the dull and ignorant; they too have their story.

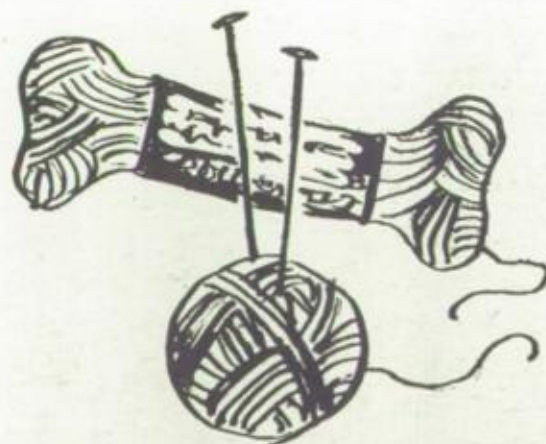

Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.

Take kindly the counsel of the years, gracefully surrendering the things of youth. But do not distress yourself with imaginings.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive Him to be, and in the noisy confusion of life keep peace with your soul.

"Desiderata"

LET THERE BE PEACE

ON EARTH

Let there be peace on earth
And let it begin with me;
Let there be peace on earth,
The peace that was meant to be.

With God as our Father,
Brothers all are we.
Let me walk with my brother
In perfect harmony.

Let peace begin with me,
Let this be the moment now.
With ev'ry step I take,
Let this be my solemn vow;
To take each moment and live each moment
In peace eternally.
Let there be peace on earth
And let it begin with me.
